# 9.2 Other information

None

### **SECTION 10: Stability and reactivity**

# 10.1 Reactivity

No specific test data related to reactivity available for this product or its ingredients.

## **10.2 Chemical stability**

The product is chemically stable under recommended conditions of storage, use and temperature.

#### **10.3 Possibility of hazardous reactions**

No hazardous reaction when handled and stored according to provisions.

#### **10.4 Conditions to avoid**

Stable under recommended storage and handling conditions.

## **10.5** Incompatible materials

The product develops hydrogen in an aqueous solution in contact with metals.

### **10.6 Hazardous decomposition products**

Does not decompose when used for intended uses.

## **SECTION 11: Toxicological information**

# 11.1 Information on hazard classes as defined in Regulation (EC) No 1272/2008

### Acute toxicity

Based on available data, the classification criteria are not met.

The surfactants contained in this mixture comply with the biodegradability criteria as laid down in Regulation (EC) No.648/2004 on detergents. Data to support this assertion are held at the disposal of the competent authorities of the Member States and will be made available to them, at their direct request or at the request of a detergent manufacturer.

#### 12.3 Bioaccumulative potential

There are no data available on the preparation/mixture itself.

## 12.4 Mobility in soil

There are no data available on the preparation/mixture itself.

## 12.5 Results of PBT and vPvB assessment

The substances in the mixture do not meet the PBT/vPvB criteria according to REACH, annex XIII.

#### **12.6 Endocrine disrupting properties**

No information available.

## 12.7 Other adverse effects

There are no data available on the preparation/mixture itself.

## 12.8 Additional ecotoxicological information

#### Additional information

The product has not been tested.

#### **SECTION 13: Disposal considerations**

# 13.1 Waste treatment methods

Dispose of waste according to applicable legislation.

Safety Data Sheet		( EN / D
according to Regulation	n (EC) No. 1907/2006 (REACH)	
Trade name : I	Lithofin MN Power-Clean	
Revision date : 1	6.11.2023 Version (Revision) : 18.12.2023	8.0.0 (7.0.0)
Waste disposal according	to directive 2008/98/EC, covering waste and dangerous waste.	
Before intended use	8/EC (Waste Framework Directive)	
	<b>designations according to EWC/AVV</b> V) : 07 06 08* (other still bottoms and reaction residues)	
Do not allow to enter in cannot be properly clea	nto surface water or drains. Non-contaminated packages may be recycled. aned must be disposed of. Delivery to an approved waste disposal compar	
cannot be properly cle	es must be completely emptied and can be re-used following proper clear eaned must be disposed of.	ning. Packing which
Waste codes/waste Waste code packaging	designations according to EWC/AVV a: 15 01 10*	
13.2 Additional informat	-	
These codes are assigned resulting from actual use.	I based upon the most common uses for this material and may not reflect	contaminants
