

## Lithofin P&L Care Cleaner for Parquet and Laminate

### Description

A special product from the LITHOFIN-Range for parquet, laminate, linoleum and other synthetic floors (P&L). This high-yielding care concentrate cleans and maintains in one simple operation.

### Properties

Lithofin P&L Care Cleaner is specially formulated for every day maintenance. Care components remain on the surface without building up layers. With continued use, the surface appearance will be enhanced and future maintenance will be facilitated.

#### Technical Data:

Density: 1,0 g/cm<sup>3</sup>

pH-Value: ca. 8,0 (concentrate)

Appearance: liquid, clear, yellowish

Odour: perfumed

Solubility in Water: very good, complete

### Field of Use

For regular cleaning and maintaining of all parquet, cork, laminate and other synthetic floors. Lithofin P&L Care Cleaner guarantees well maintained surfaces.

### Directions for Use

Simply add a squirt of Lithofin P&L Care Cleaner to a bucket of water. Wipe the surface with the water, leaving it damp but not wet. Allow the residues to dry, do not take up with clear water.

Please Note: parquet and laminate floors may absorb water along the joints and swell up. The floor should not remain wet for longer periods. Please observe the cleaning and maintenance advice provided by the manufacturer of the floor material.

### Storage

Closed, cool and dry. Frost-free. Up to 2 years.

### Environmental Protection

Does not contain any phosphates. The contained surfactants are biodegradable according to regulation (EC) No. 648/2004 (detergents regulation).

Disposal: waste code according to EWC/AVV 07 06 08\*. Bottles/canisters are made of environmentally friendly polyethylene and can be recycled (see information on label).

### Safety

UFI: M3U0-10KS-A00D-XP04

Ingredients according regulation (EC) No. 648/2004 (detergents regulation): non-ionic surfactants (5% to 15%); preservatives, methylisothiazolinone, benzisothiazolinone, auxilliary agents.

Labelling according to EU-Directive 1272/2008(CLP):

Symbol GHS 07 Attention

Concentrated product causes serious eye irritation. Keep out of reach of children. Wear eye/face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

#### ADR 2019: labelling for transport

Unit	Label	Notes on freight papers
a)	--	none

### Packaging

a) 1 litre bottle with child-proof cap (10 per box)

Please Note: statements concerning environmental and safety issues refer to the product as delivered (concentrated). This information should be considered to be informal and non-binding. The products must be used according to local conditions and materials. Always test the product in an inconspicuous area. (GB7.19gps/4.19)
