

Lithofin Steel-Clean cleans, protects and maintains stainless steel

Description

A special product from the LITHOFIN-Range for home and industry.

Cleaning and maintaining agent based on high quality components. Easy-to-use spray can.

Properties

Highly active ingredients quickly dissolve dirt, oil, grease, etc. making blemishes such as fingerprints easy to wipe off. Additives provide a protective effect, keepin the surface looking smooth and clean longer. The product leaves a streakless sheen on the surface.

Technical Data:

Density: approx. 0.9 g/cm³

pH-Value: approx. 7

Appearance: whitish, cloudy

Odour: fresh, perfumed

Solubility in Water: not soluble

Field of Use

For regular maintenance of all stainless steel and similar metal surfaces in kitchens, handrails, mail boxes, lamps, etc. For brushed, polished and smooth surfaces. Suitable for indoor and outdoor use.

Directions for Use

Shake well before use. Evenly and thinly spray the object from a distance of approx. 25cm. Polish using a lint free cloth or paper towel. On large surfaces, work in several smaller sections.

Please Note: A small trial area will allow you to evaluate the effect prior to use. Do not spray on adjacent sensitive surfaces. Do not spray on hot surfaces. Polish off any product residues.

Coverage: up to 20m² per bottle.

Hint: limescale and water marks can easily be removed with Lithofin KF Ceramic-Clean.

Storage

Cool and dry. Shelf life of approx. 3 years.

Environmental Protection

The contained surfactants are biodegradable according to regulation (EC) No. 648/2004 (detergents regulation).

Disposal: waste code according to EWC/AVV 16 05 04*. Bottles/canisters are made of environmentally friendly aluminium and can be recycled (see information on label).

Safety

Does not leave any dangerous or harmful substances on the surface.

UFI: 37V0-M0JX-900U-H3JY

Ingredients according regulation (EC) No. 648/2004 (detergents regulation): >30 % aliphatic hydrocarbons, perfume (limonene, citral, geraniol), auxilliary agents.
